

## Dear friends of 15th Suffolk,

We are so grateful to you for the overwhelming response of neighborly love. On Friday we posted a request to help our neighbors in our district's housing developments. Their non-profit supplier was at the last minute unable to come through with toys for over 600 children.

Your generosity was beautiful to behold! In just one week, you contributed close to 1000 toys, so we had extra to share with some of our lowest income families in neighboring districts.

This is the way community works best. We are all there for each other. We make sure every kid knows how much we love them, and no one gets left out.

I am so proud of us and deeply honored to be your representative.

While there is no way to know or thank the hundreds of people and offices that purchased and delivered toys, special thanks to neighbors **Krista Magnuson** and **Tonya Tedesco**, **Kim Mitchell** at *Boing Toy Store*, *Back Of The Hill CDC*, *Roslindale Business Group*, *JP Progressives*, *Tobin Community Center*, *Children's Hospital*, *the City of Boston Office of Housing Stability*, and **Mayor Walsh** for mobilizing dozens of others to contribute generously. There are probably many more who spread the word to your networks and friends. Thank you all, and Happy Holidays!

We'll see you in the new year.

Peace and love,  
Team Nika
